

of using up the 1 percent of the lottery funds with very little, if anything, going to those who are addicted to gambling, in the final analysis, unless some Legislature in the future provides General Fund appropriations or changes how the proportion of the lottery funds are. The \$180,000 is not very much money when you start moving into what it is that you are proposing to do, and I don't disagree with what you are proposing, you understand, but I think that it is appropriate to raise a little bit of a...at least a yellow flag, maybe not a red flag, but a yellow flag because when we start moving funds that were supposed to go to pay for services...

SENATOR PEDERSEN: I agree.

SENATOR COORDSEN: ...into administration, and you have a very small amount of funds, to begin with, then almost immediately we find that there is going to have to be some other arrangements made in the next session of the Legislature because the demand for the services will far outstrip the amount of money and the demand for administrative services, the way government works, soon uses up all of your available resources, Dwite, that you want to use for counseling and for other addictive gambling services. Thank you, Mr. Speaker.

SENATOR PEDERSEN: Thank you.

SENATOR HALL: Thank you, Senator Coordsen. There is approximately four minutes left on the bill. Senator Crosby, your light is next. No need for that, Senator Crosby. Yours is the last light. Senator Will, you are recognized to close on your motion to reconsider the return to Select File of LB 275E.

SENATOR WILL: Thank you, Mr. President, members of the body. I am going to just close very briefly. I think that Senator Pedersen has explained that the thrust of his motion is not to change any amount of dollars going to the Compulsive Gambling Assistance Fund, but just to establish an administrative limit. We are down...our time is short enough, I would just as soon stop my closing there and let's bring it to a vote.

SENATOR HALL: Thank you, Senator Will. The question is the motion before us to reconsider the vote on the return to Select File LB 275E for a specific amendment. All those in favor vote aye, opposed nay. Have you all voted? Have you all voted? Record, Mr. Clerk.
